
Rhea Trawler 36

Price:€350,000 Tax Not Paid

The Rhea 36 Trawler has elegant lines and classic appearance; this boat offers all the necessary comforts for long range cruising. Assertive, fluid lines offer comfort and stability; the super slick hull @ tunnel propellers will increase fuel efficiency. Modern in design, the Trawler 36 can take the ground safely thanks to the shape of its hull and the protected propeller and rudder. Two large cabins, luxurious head and saloon; a fully equipped galley complete the necessities - then the luxuries begin!

MANUFACTURER PROVIDED DESCRIPTION

Rhea Trawler 36 is ready to discover open seas! Between elegance, tradition and modernity on the velvet blue.

Just like Rhea Trawler 43, Rhea Trawler 36 is designed to provide high-level comfort and high performance while tackling difficult seas.

For-the-day sailing comfort, luxurious and extraordinary open-space fitting

With the kitchen placed between the lounge and the cockpit, Rhea Trawler 36 provides an important ease-of-use in interior design. Details such as the window that can be folded into the ceiling when the back door is open or the cockpit that becomes whole when the backdoor is opened towards the sea, the cook stove and lounge compact provide an extraordinary living space. With distinctive features in the inside fitting and design, Rhea Trawler 36 provides the highest level of comfort both in daily sailing and long-distance sailing.
