MANUFACTURER PROVIDED DESCRIPTION

The Arvor 230 AS is a smaller sister to the popular 250 AS Deluxe and offers a spacious cabin, a V-berth and a standard fit chemical toilet. The 230 AS has a galley to port and a dining table in the cabin so you can cook and eat the catch of the day as soon as it comes on board! Standard trim tabs make it easy to adjust your ship for different loads and sea conditions. Like the 250 AS Deluxe, a livewell is set at waist height at the stern with an aquarium style window for the entertainment of passengers. Rod holders, stainless steel net rollers, wooden gunwhale inserts and fold-down wooden benches are all standard. A standard transom door gives access to the stern platform. This boat is equipped with a Cummins Mercruiser Diesel engine 150hp (2.0l), 4 cylinders Common Rail electronic injection.
